

'promoting science to the youth of australia'

WHO ARE WE?

We are the Young Scientists of Australia - A group of young Australians aged 15 - 25 with a passion for science and aren't afraid to tell the world about it.

In short, we staff science schools, run science shows, and meet regularly at various social events.

But more importantly we are a community of like minded individuals who enjoy having fun in a friendly social environment.

SCIENCE COMMUNICATION

YSA are responsible for staffing several science schools across Sydney (and Australia).

We partake in the Science Experience, Youth ANZAAS, the Science and Engineering Challenge and many other science volunteering opportunities.

As a member of YSA, we open the door to all these science opportunities, as well involvement in annual events such National Science week and university open days.

SOCIALS

One of our biggest attractions is that we are a community of like-minded individuals. To supplement this, on the third weekend of each month we have a dedicated social event for all our members.

Past activities have included Ice Skating, Rockclimbing, movies, the YSA Amazing Race, our Post-HSC outing and even our Post-Valentines Day social.

YSA is a Smoke, Drug and Alcohol free organisation and as such our socials are run according to this policy as well.

HOW TO JOIN

Members of YSA Sydney must be between ages 14-26. If that's you ... read on!

All you need to do is fill out the membership application form over the page and forward it and \$15 as a cheque or money order to our postal address. Once your application has been processed, you will receive a letter in the mail or email to let you know you're a full member.

Personal Information: YSA Sydney have a responsibility to store and collect your information securely, whilst ensuring that only the appropriate people have access to it. We may at times collect information via third parties, or use third party systems to manage your data, but only where the security of your information is assured. Rarely, we may divulge your personal information to third parties, only when in the interests of members, in the practice of actions that comply with our aim of communicating science to the youth of Australia. We will never sell your information.
Mailing List: YSA Sydney will occasionally send relevant emails to you regarding socials and science opportunities. We will never sell your email address, and we do not send spam. You can opt out at any stage by emailing our secretary. Additionally, from time to time, we may send you material in the mail. This will only ever be YSA and science related information, and we will never sell your information to third parties.
Drug, Alcohol and Smoking Policy: YSA Sydney and all YSA chapters around Australia adopt a drug, alcohol and smoking free policy. As a member of YSA you acknowledge that all our events and socials are drug, alcohol and smoking free. This includes the use of these substances or being under the influence of these substances at YSA events. Any member in breach of this policy may be subject to appropriate disciplinary action.
Photo Release and Promotions: Occasionally we take photos of YSA events such as, but not limited to The Science Experience, National Science week and associated YSA social events. Whilst you are free to withdraw from a photographic situation, YSA Sydney reserves the right to use footage of its members and events in its publicity and publications, and print and non-print media, such as its website, Facebook and Twitter.
